To access audio conferencing, an additional charge will be applied based on your audio option selected.

WebEx integrated teleconferencing			Internet telephony
Toll	Toll free	Automatic call back	VOIP
¥25 per min per participant*	¥43 per min per participant*	¥48 per min per participant*	¥5 per min per participant*

* Price and availability information is subject to change without notice. Prices exclude tax.

For example, a WebEx audio conference meeting with six people using the "Toll" option for 30 mins.
Total cost just ¥10,800 (Web conferencing charge ¥35 + Toll ¥25) × 30 mins × six participants

Toll	Attendees call in to the teleconference using a toll number. The attendees will be charged for their local calls.
Toll free	Attendees call in to the teleconference using a toll-free number.
Automatic call back	Attendees provide their phone numbers and receive a call-back from the WebEx system.
VOIP	A voice conference over the internet. All attendees will need a full duplex sound card and speakers or headset.
